U Got It Bad

Usher

Oh, no, no, no...When you feel it in your body You found somebody who makes you change your ways

Like hanging with your crew

Said you act like you're ready

But you don't really knowAnd everything in your past, you wanna let it goI've been there, done

it, humped around

After all that - this is what I found

Nobody wants to be alone

If you're touched by the words in this song

Then baby...U got, u got it bad

When you're on the phone

Hang up and you call right back

U got, u got it bad

If you miss a day without your friend

Your whole life's off track

You know you got it bad when you're stuck in the house

You don't wanna have fun

It's all you think aboutU got it bad when you're out with someone

But you keep on thinkin' bout somebody else

U got it bad

When you say that you love 'em

And you really know

Everything that used to matter, don't matter no more

Like my money, all my cars

(You can have it all back)

Flowers, cards, and candy

(I do it just cause I'm...)

Said I'm fortunate to have you girl

I want you to know

I really adore you

All my people who know what's going on

Look at your mate, help me sing my songTell her I'm your man, you're my girl

I'm gonna tell it to the whole wide world

Ladies say I'm you gIrl, you're my man

Promise to love you the best i canSee I've been there, done it, humped around

After all that - this is what i found

Everyone of ya'll are just like me

It's too bad that you can't see

That you got it bad... heyU got, u got it bad

When you're on the phone

Hang up and you call right back

U got, u got it bad

If you miss a day without your friend
Your whole life's off trackYou know you got it bad when you're stuck in the house
You don't wanna have fun

It's all you think about

U got it bad when you're out with someone

But you keep on thinkin' bout somebody else

U got it badU got, u got it bad

When you're on the phone

Hang up and you call right back

U got, u got it bad

If you miss a day without your friend

Your whole life's off track

You know you got it bad when you're stuck in the house

You don't wanna have fun

It's all you think about

U got it bad when you're out with someone

But you keep on thinkin' bout somebody else

U got it bad
