

# Empire State of Mind

Alicia Keys

Ooooh, New York!  
Ooooh, New York! Grew up in a town that is famous as a place of movie scenes  
Noise is always loud, there are sirens all around and the streets are mean  
If I can make it here, I can make it anywhere, that's what they say  
Seeing my face in lights or my name in marquee's found down on Broadway Even if it ain't all it  
seems, I got a pocketful of dreams  
Baby I'm from New York!  
Concrete jungle where dreams are made of  
There's nothing you can't do  
Now you're in New York!  
These streets will make you feel brand new  
Big lights will inspire you  
Hear it for New York, New York, New Yooork!  
On the avenue, there ain't never a curfew, ladies work so hard  
Such a melting pot, on the corner selling rock, preachers pray to God  
Hail a gypsy cab, takes me down from Harlem to the Brooklyn Bridge  
Some will sleep tonight with a hunger for more than an empty fridge I'ma make it by any  
means, I got a pocketful of dreams  
Baby I'm from New York!  
Concrete jungle where dreams are made of  
There's nothing you can't do  
Now you're in New York!  
These streets will make you feel brand new  
Big lights will inspire you  
Hear it for New York, New York, New Yooork! One hand in the air for the big city  
Street lights, big dreams, all looking pretty  
No place in the world that can compare  
Put your lighters in the air, everybody say  
Yeah! Yeah! Yeah! Yeah!  
In New York!  
Concrete jungle where dreams are made of  
There's nothing you can't do  
Now you're in New York!  
These streets will make you feel brand new  
Big lights will inspire you  
Now you're in New York!  
Concrete jungle where dreams are made of  
There's nothing you can't do  
Now you're in New York!  
These streets will make you feel brand new  
Big lights will inspire you  
Hear it for New Yooork!
