

# Like Royalty (feat. Popcaan)

## Protoje

In life, in life  
Like royalty, royalty If I ever make it in life  
You a go be living like royalty  
So me haffi set the thing right  
Never ever haffi think twice, no way  
If I ever make it in life  
You a go be living like royalty  
So me haffi set the thing right  
Never ever haffi think twice, no way  
Me use to sleep pon Stagga couch  
Me used to sleep pon Currie couch, dem man deh never lef' me out  
Me used to live a Eddie house  
Me never keep me owna key, Shikima used to let me out  
Me bring him with me go L.A.  
Is like a him get nominate, him watch the Grammy side a me  
'Cause how much people can you say  
Would feed you when you hungry, when you broke them bless you with money  
But I have been so fortunate  
Surrounded by so many people make sure say me copacetic  
And dem deh things me can't forget  
Your daughter a me daughter, once me living she no haffi fret  
If I ever make it in life  
You a go be living like royalty  
So me haffi set the thing right  
Never ever haffi think twice, no way  
If I ever make it in life  
You a go be living like royalty  
So me haffi set the thing right  
Never ever haffi think twice, no way Proto, man a set it like three-a-card  
'Member when me get me first Honda Accord  
Kartel say 'Clarks,' over Don it did record  
Shell the world, me first hit record  
Count me blessing dem, reaping the reward  
Make me first mil and 'member when me used to starve  
Pull up a Irish Town, Benz inna garage  
Pop Skull or Protoje them cannot sabotage  
Like an iPhone 11, so me charge  
Puff me ganja in front the sarge  
Right now them surprise how man a live  
So me gain me blessing, yow, a so me give If I ever make it in life  
You a go be living like royalty  
So me haffi set the thing right

Never ever haffi think twice, no way  
If I ever make it in life  
You a go be living like royalty  
So me haffi set the thing right  
Never ever haffi think twice, no way Mummy put her money where her mouth deh  
Empty bank account, support me talent, oh yeah  
Everything me have, you get it times a thousand  
How me fi repay, no 'mount a money won't spend  
Know it mussdid ruff fi see me in a torment  
People call me cruff lock up in me apartment  
'Membra me did tell you there would be a moment  
When the work we put in woulda pay off, so said  
Now you see the family top a the mountain  
Reaping all the streams and turn dem in a fountain  
No get salary, man just a do them own thing  
So any town and any city, understand you coming with melf I ever make it in life  
You a go be living like royalty  
So me haffi set the thing right  
Never ever haffi think twice, no way  
If I ever make it in life  
You a go be living like royalty  
So me haffi set the thing right  
Never ever haffi think twice, no way Stay winning  
Aye Proto!  
Yuh know what's di motto  
Money, life  
Trouble!  
Jesse Royal!  
Hahaha
