## Love Me Now

## John Legend

Pulling me further Further than I've been before Making me stronger Shaking me right to the core, oh I don't know what's in the stars Never heard it from above, the world isn't ours But I know what's in my heart If you ain't mine I'll be torn apartI don't know who's gonna kiss you when I'm gone So I'm gonna love you now, like it's all I have I know it'll kill me when it's over I don't wanna think about it, I want you to love me nowI don't know who's gonna kiss you when I'm gone So I'm gonna love you now, like it's all I have I know it'll kill me when it's over I don't wanna think about it, I want you to love me now (Love me now, love me now) Oh, oh, love me now, oh, oh, oh, yeah (Love me now, love me now) Oh, I want you to love me nowSomething inside us Knows there's nothing guaranteed, yeah Girl, I don't need you To tell me that you'll never leave, no When we've done all that we could To turn darkness into light, turn evil to good Even when we try so hard For that perfect kind of love, it could all fall apartAnd who's gonna kiss you when I'm gone? Oh I'm gonna love you now, like it's all I have And I know it'll kill me when it's over I don't wanna think about it, I want you to love me now (Love me now, love me now) Oh, love me now, oh, oh, oh Love me now (Love me now, love me now) Love me nowOh I don't know how the years will go down, it's alright Let's make the most of every moment tonightI don't know who's gonna kiss you when I'm gone So I'm gonna love you now, like it's all I have I know it'll kill me when it's over I don't wanna think about it, I want you to love me now I don't know who's gonna kiss you when I'm gone So I'm gonna love you now, like it's all I have And I know it'll kill me when it's over I don't wanna think about it, I just wanna love you now
