When I Fall In Love (feat. Michael Bublé)

Boyz II Men

Boyz II Men & Michael BubleJust to make you smile simply makes me smile Cos today could mean foreverWhen I fall in love it will be forever

Or I'll never fall in love

In a restless world like this is

Love has ended before it's begun

And too many moonlight kisses

They seem to cool in the warmth of the sun, oh yeah

When I give my heart it will be completely

Or I'll never give my heart, yeah

And the moment I can feel that

You feel that way too

Is when I, when I fall in love with youWhen I fall in love it will be forever

Or I'll never fall in love

In a restless world like this is

Love is ended before it's begun

And too many moonlight kisses

Seem to cool in the warmth of the sun

And the moment I can feel that

You feel the same way too

When I fall in love

Oh yeah, when I fall in love

Is when I fall in love with you, you, you, you, you
