

# Under the Weather

**KT Tunstall**

Under this national rain cloud  
I'm getting soaked to the skin  
Trying to find my umbrella  
But I don't know where to begin And it's simply irrational weather  
I can't even hear myself think  
Constantly bailing out water  
But still feel like I'm gonna sink 'Cause I'm under the weather  
Just like the world  
So sorry for being so bold When I turn out the light  
You're out of sight  
Although I know that I'm not alone  
It feels like home, feels like home  
You say you feel like a natural person  
You haven't got nothing to hide  
So why do you feel imperfection  
Cut like a sword in your side? 'Cause you're under the weather  
Just like the world  
So sorry for being so bold When I turn out the light  
You're out of sight  
Although I know that I'm not alone  
It feels like home, feels like home Feels like home, feels like home  
Yes, it feels like home  
Yes, it feels like home 'Cause I'm under the weather  
Just like the world  
And I need somebody to hold  
When I turn out the light  
You're out of sight  
Although I know that I'm not alone  
It feels like home
