

# Face to Face / Short Circuit

## Daft Punk

What's going on?  
Could this be my understanding  
It's not your fault I was being too demanding  
I must admit it's my pride that made me distant  
All because I hoped that you'd be someone different  
There's not much I know about you  
Fear will always make you blind  
But the answer is in clear view  
It's amazing what you'll find face to face  
facing what you'll find face to face  
facing what you'll find face to face  
(facing what you'll find face to face  
facing what you'll find face to face  
facing what you'll find face to face  
facing what you'll find face to face  
facing what you'll find face to face  
facing what you'll find face to face  
facing what you'll find face to face  
facing what you'll find face to face  
What's going on? Could this be my understanding  
It's not your fault I was being too demanding  
I must admit it's my pride that made me distant  
All because I hoped that you'd be someone different  
There's not much I know about you  
Fear will always make you blind  
But the answer is in clear view  
It's amazing what you'll find face to face  
(Work it harder. Make it better)  
(Do it faster. Makes us stronger)  
(More than ever. Hour after.)  
I turned away because I thought you were the problem  
Tried to forget until I hit the bottom But when I faced you in my blank confusion  
I realized you weren't wrong, it was a mere illusion  
It really didn't make sense  
Just to leave this unresolved  
It's not hard to go the distance  
when you finally get involved face to face
