Cocaine Model

ZHU

I asked her can I have your number Looks like blue must be your color Love the way you wear that dress Even though your hair's a mess She said its Isabel marant And I got everything you want Only questions can you hang Will you come and entertain?I will, I will, I will Never forget the thrill We know, we know, we know What we came for What we came for Will they get where you're from Will they get where you're from If you give me what I want I'll give it to you right back If you give me what I want I'll give it to you right backShe told me was from Morocco By the way of south Chicago Graduated in the bay Had her birthday in LA Said I had to go to Paris Private jets on her parents Asked me if I wanna roll I said if you take me homeI will, I will, I will Never forget the thrill We know, we know, we know What we came for What we came for Will they get where you're from Will they get where you're from If you give me what I want I'll give it to you right back If you give me what I want I'll give it to you right back If you give me what I want I'll give it to you right back If you give me what I want I'll give it to you right back Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
