

# Cold Cold Heart

Norah Jones

I tried so hard my dear to show  
That you're my every dream  
Yet you're afraid each thing I do  
Is just some evil scheme  
A memory from your lonesome past  
Keeps us so far apart  
Why can't I free your doubtful mind  
and melt your cold cold heart  
Another love before my time made your heart sad and blue  
And so my heart is paying now  
For things I didnt do  
In anger unkind words are said  
That make the teardrops start  
Why can't I free your doubtful mind  
and melt your cold cold heart  
There was a time when I believed that you belonged to me  
But now I know your heart is shackled to a memory  
The more I learn to care for you, the more we drift apart  
Why can't I free your doubtful mind  
and melt your cold cold heart
