

Be With You

[Rick Astley](#)

Rick Astley & Mark King
How can you turn and walk away
Leaving me here with things to say
How can you stand and watch me fall
Don't you feel no love at all
I only want to say to you
That it would break your Papa's heart
For him to hear the things you say
When we could make a brand new start (Chorus)
Will you hold me in your arms or let me go
Cause I want to show the world how much I know
That I love you
And I only want to be with you
How do I know you'll always stay
You're changing your mind most every day
I'm telling you girl don't push too far no
Just who do you think you are
I only want to say to you
That it would break your Mama's heart
For her to hear the things you say
When we could make a brand new start (Repeat chorus two times)
Oh I love you so
Are you ready, for a guy like me
Come on baby, I'm on bended knee
Are you ready to be loved by me again
I only want to say to you
That it would break my loving heart
For me to see the things you do
When we could make a brand new start
Yes we could make a brand new start (Repeat chorus to fade)
