

# Be With You

[Rick Astley](#)

Rick Astley & Mark King  
How can you turn and walk away  
Leaving me here with things to say  
How can you stand and watch me fall  
Don't you feel no love at all  
I only want to say to you  
That it would break your Papa's heart  
For him to hear the things you say  
When we could make a brand new start (Chorus)  
Will you hold me in your arms or let me go  
Cause I want to show the world how much I know  
That I love you  
And I only want to be with you  
How do I know you'll always stay  
You're changing your mind most every day  
I'm telling you girl don't push too far no  
Just who do you think you are  
I only want to say to you  
That it would break your Mama's heart  
For her to hear the things you say  
When we could make a brand new start (Repeat chorus two times)  
Oh I love you so  
Are you ready, for a guy like me  
Come on baby, I'm on bended knee  
Are you ready to be loved by me again  
I only want to say to you  
That it would break my loving heart  
For me to see the things you do  
When we could make a brand new start  
Yes we could make a brand new start (Repeat chorus to fade)
