[Intro]
          Yeah, let's go[Chorus]
                 ??????
                 ??????
              ??????????
                 ??????
                 ??????
              ??????????
         Oh yeah, yeah[Verse 1]
              ????? ??????
              ???????????
??? Counting down now, four, three, two, one
                  ?????
               ????????
                [Verse 2]
                ????????
               ?????????
         ?????? It's alright so far
                 ??????
         ????????[Post-Chorus]
                ????????
                ????????
                ????????
               Ready, yeah
                ????????
                ????????
                  ????
                Oh, yeah
                [Chorus]
                 ??????
                 ??????
              ??????????
                 ??????
                 ??????
              ??????????
         Oh yeah, yeah[Verse 3]
               ?????
                 ??????
                ????????
               ?????????
          But that's okay 'cause
            ???????[Verse 4]
```

```
?????????
     Let's keep up the good work
              ???? yeah
              ???????
              ????????
         ?????[Post-Chorus]
              ????????
              ????????
              ????????
             Ready, yeah
              ????????
              ????????
                ????
          Ooh baby[Chorus]
               ??????
               ??????
            ??????????
               ??????
               ??????
            ??????????
        Oh yeah, yeah[Bridge]
          ?????? Dreaming
 Are you thinking what I'm thinking?
             ????????
            ??????????
            ???????????
            ???[Chorus 2]
                ????
           No, I should say
               ??????
               ??????
            ???????????
               ???????
               ??????
               ??????
            ??????????
             (???????)
        Oh yeah, yeah[Hook]
     Here we go, here we go, fire
   Here it goes, here it goes, higher
          (Little bit higher)
       Oh oh (ay!) oh oh (ay!)
            Just a little bit
Here we go, here we go, fire (fire again)
   Here it goes, here it goes, higher
           Little bit higher
       Oh oh (ay!) oh oh (ay!)
               [Outro]
```
