

# Hang on to Your Love

Sade

In heaven's name why are you walking away  
Hang on to your love  
In heaven's name why do you play these games  
Hang on to your love Take time if you're down on luck  
It's so easy to walk out on love  
Take your time if the going gets tough  
It's so precious So if you want it to get stronger  
You'd better not let go  
You gotta hold on longer  
If you want your love to grow Gotta stick together  
Hand in glove  
Hold tight, don't fight  
Hang on to your love  
In heaven's name why are you walking away  
Hang on to your love  
In heaven's name why do you play these games  
Hang on to your love Be brave when the journey is rough  
It's not easy when you're in love  
Don't be ashamed when the going gets tough  
It's not easy don't give up If you want it to get stronger  
You'd better not let go  
You gotta hold on longer  
If you want your love to grow Gotta stick together  
Hand in glove  
Hold tight, don't fight  
Hang on to your love  
In heaven's name why are you walking away  
Hang on to your love  
In heaven's name why do you play these games
