

Find My Way Back to My Heart

Alison Krauss & Union Station

(Mark Simos/Devachan Music, BMI) I used to laugh at all those songs
'bout the rambling life, the nights so long and lonely

Well, I ain't laughin' now

Now that I'm caught up, it seems

In all the same ambitious dreams

That only lonely life allows And the home I don't go home to

The friends I don't see

Aren't the part of this life

That endears it to me If that's the price I have to pay

For doing things my own way

Then it's what I'll have to do somehow

Chorus:

Till I find my way back to my heart

For there's no one but me's gonna take my part

It's too early to say that it's over

Or to find we can make a new start

It's too early to say

Till I find my way back to my heart I thought at least we'd meet again

Since we have been the best of friends and lovers to each other

Meet again and speak our minds

Force no issues, turn no blind eye

Toward the road that lies ahead But it seems that I missed you

By a coast and a song

When time gets so short

"So what?" turns to "so long"

I cannot keep your love inside

It's a flame I cannot hide forever

In the name of hanging on Chorus I used to laugh at all those songs

'bout the rambling life, the nights so long and lonely
