

# Bonnie

## Supertramp

Your silver nights and golden days  
I try to reach you in a million ways  
I'm crazy 'bout you Bonnie  
Can you tell? Your diamond rings and fancy clothes  
Do I want you babe, well heaven knows  
Im wild about you Bonnie  
Can't you see, hey Bonnie I've loved you oh so long  
I know we'd get along  
Hey Bonnie will you ever notice me Yes I know you oh so well  
Just one look and I fell  
Please tell me that our love will always be  
I've seen your films and all your plays  
I read about you every single day  
I'd like to get my lovin' arms 'round you From rags to which you've got it made  
How does it feel to be a famous name  
Well Bonnie can you do the same for me  
Oh Bonnie I feel you in my soul  
To love you is my role  
Oh Bonnie you're the only one for me Yes i got my fortune read  
And here's what the gypsy said  
That we'll live and love and share eternity Bonnie please be nice  
We'll find paradise  
Beneath the golden skies  
Bonnie you're good  
Make me if you could  
The toast of Hollywood I'll give you all my love  
We'll really live it up  
Beneath the stars above Your silver nights and golden days  
I try to reach you in a million ways  
I'm crazy 'bout you Bonnie  
Can you tell?
