Bonnie

Supertramp

Your silver nights and golden days I try to reach you in a million ways I'm crazy 'bout you Bonnie Can you tell? Your diamond rings and fancy clothes Do I want you babe, well heaven knows Im wild about you Bonnie Can't you see, hey BonnieI've loved you oh so long I know we'd get along Hey Bonnie will you ever notice meYes I know you oh so well Just one look and I fell Please tell me that our love will always be I've seen your films and all your plays I read about you every single day I'd like to get my lovin'arms 'round youFrom rags to which you've got it made How does it feel to be a famous name Well Bonnie can you do the same for me Oh BonnieI feel you in my soul To love you is my role Oh Bonnie you're the only one for meYes i got my fortune read And here's what the gypsy said That we'll live and love and share eternityBonnie please be nice We'll find paradise Beneath the golden skies Bonnie you're good Make me if you could The toast of HollywoodI'll give you all my love We'll really live it up Beneath the stars aboveYour silver nights and golden days I try to reach you in a million ways I'm crazy 'bout you Bonnie Can you tell?
