

God Hates Us

Avenged Sevenfold

Total nightmare! Total nightmare!
You wanna hear my side?
You need to drown to know
With all the times it hurt me to fuck you I built a wall with your blood to show
God save us
God save us all God hates us
God hates us all
Total nightmare!
Total nightmare!
Nothing to heal
No one to break Pills had a role, now there's nothing to take
Nothing to trust
No one to fake
You'll find out sooner that it's best if we just know our place My infiltrated mind
My lacerated soul
It took me years, create me, control you
I left myself for an idea I stole God save us
God save us all God hates us
God hates us all
Total nightmare!
Total nightmare!
Liar rape kill, love hate fear
You better take your time
(Liar rape kill)
You better take it slow
'Cause when you see the one
(Love hate fear)
There's nothing left to show
Total nightmare!
Total nightmare!
Total nightmare!
Total nightmare!
