

# If I Ever Leave This World Alive

## Flogging Molly

If I ever leave this world alive  
I'll thank for all the things you did in my life  
If I ever leave this world alive  
I'll come back down and sit beside your feet tonight  
Wherever I am, you'll always be  
More than just a memory  
If I ever leave this world alive  
If I ever leave this world alive  
I'll take on all the sadness that I left behind  
If I ever leave this world alive  
The madness that you feel will soon subside  
So, in a word, don't shed a tear  
I'll be here when it all gets weird  
If I ever leave this world alive  
So when in doubt, just call my name  
Just before you go insane  
If I ever leave this world, hey, I may never leave this world  
But if I ever leave this world alive  
She says I'm okay, I'm alright  
Though you have gone from my life  
You said that it would  
Now everything should be all right  
She says I'm okay, I'm alright  
Though you have gone from my life  
You said that it would  
Now everything should be all right
