

# Tonight's With You

## Black Rebel Motorcycle Club

(1, 2, 1, 2, 3, 4) You couldn't doubt her  
You couldn't doubt her Tonight  
Tonight's with you  
Tonight  
Tonight's with you You couldn't die  
You couldn't die  
Tonight  
Tonight's with you  
Tonight  
Tonight's with you It's like a tear falling  
It's like a dream always  
It's like a dream gone away Gone away  
Gone away  
Gone away You couldn't love her  
You shouldn't wonder  
Tonight  
Tonight's with you  
Tonight  
Tonight's with you
