

Tonight's With You

Black Rebel Motorcycle Club

(1, 2, 1, 2, 3, 4) You couldn't doubt her
You couldn't doubt her Tonight
Tonight's with you
Tonight
Tonight's with you You couldn't die
You couldn't die
Tonight
Tonight's with you
Tonight
Tonight's with you It's like a tear falling
It's like a dream always
It's like a dream gone away Gone away
Gone away
Gone away You couldn't love her
You shouldn't wonder
Tonight
Tonight's with you
Tonight
Tonight's with you
