

# Invincible (feat. Ester Dean)

## Machine Gun Kelly

Voices in the air, I hear it loud and clear  
Telling me to listen  
Whispers in my ear, nothing can compare  
I just wanna listen As my world turns, the heart beats  
Not only in my chest but the heart in the streets  
So when they feel this, they feel me  
But I can't feel nothin' outside these Dre Beats I am from the city of people who came from the  
bottom  
Standing on top of what was supposed to be my coffin, what's up?  
Except for shows we are the dead man walkin'  
But reflections show the kid's still got it  
Better be known, I got the throne like I don't know that there's a king  
Never grew up around a family because I'm not a human being  
And anyone under my bubble that's coming in my spot for the top  
Let 'em have it, 'cause when I leave the whole world drops  
Lace up Kells I hear voices in the air, I hear it loud and clear  
Telling me to listen  
Whispers in my ear, nothing can compare  
I just wanna listen Telling me I am invincible  
I am invincible  
I am invincible Telling me I am invincible  
I am invincible  
I am invincible  
I am  
Waking up sweating from the stress of being caged down  
Everything I write is played out like what is this?  
Tear the whole page out Man, I come from hole in the wall but they don't know the path  
Even if I told them it all they would know the half  
So maybe I fill up my luggage with all these dreams  
And pull on my black coat and my black Chucks and nothing in my jeans And just run 'til the  
day come like Rocky's movie scene  
And I'm on top of the world  
Look up the screen like this is me, this is Kells Crucified by the public without the nails  
Do or die in my city but clearly, I never failed  
Lost myself from the game when I found myself in the cell  
And I found myself in the flame when I lost myself in the pills And you cannot mess with me  
still  
Seen the boys and they winnin'  
Underdogs of the year  
Cleveland boys in the buildin' What the is a ceiling?  
I'ma taking us to the top  
And when I leave the whole world drops

Lace up, Kells  
I hear voices in the air, I hear it loud and clear  
Telling me to listen  
Whispers in my ear, nothing can compare  
I just want to listen  
Telling me I am invincible  
I am invincible  
I am invincible  
Telling me I am invincible  
I am invincible  
I am invincible  
I am
