

Maybe Tomorrow

Jackson 5

I don't know how many stars there are
Up in the heavenly sky
I only know my heaven is here on earth
Each time you look into my eyes
The way you do baby Thank you, thank you baby My beautiful bird you have flown away
I held you too tight I can see
You're all I need to get by
No one else could make me cry
The way you do baby
You are the book that I read each day
You are the song that I sing, gonna sing it to you
You are the four seasons of my life
But maybe tomorrow you'll change your mind girl
Maybe tomorrow you'll come back to my arms girl
Maybe she'll come Baby, you're all I need to get by
No one else can make me cry
The way you do baby, 'cause
You are the book that I read each day
You are the song that I sing, gonna sing it to you
You are the four seasons of my life
But maybe tomorrow you'll change your mind girl
Maybe tomorrow you'll come back to my arms girl
