

The Body Electric

Rush

One humanoid escapee
One android on the run
Seeking freedom beneath
A lonely desert sun. Trying to change it's program
Trying to change the mode
Crack the code
Images conflicting
Into data overload. 1-0-0-1-0-0-1
S.O.S.
1-0-0-1-0-0-1
In distress
1-0-0-1-0-0.
Memory banks unloading
Bytes break into bits
Unit one's in trouble and it's
Scared out of it's wits. Guidance systems breakdown
A struggle to exist
To resist
A pulse of dying power
In a clenching plastic fist. 1-0-0-1-0-0-1
S.O.S.
1-0-0-1-0-0-1
In distress
1-0-0-1-0-0.
It replays each of the days
A hundred years of routines
Bows its head and prays
To the mother of all machines
All machines. 1-0-0-1-0-0-1
S.O.S.
1-0-0-1-0-0-1
In distress
1-0-0-1-0-0-0 It replays each of the days
A hundred years of routines
Bows its head and prays
To the mother of all machines
Mother of all machines.
