

# Iron Sky

Paolo Nutini

We are proud individuals  
Living for the city  
But the flames  
Couldn't go much higher We find God and religions  
To bait us with salvation  
But no one, no nobody  
Can give you the power To rise  
Over love  
Over hate  
Through this iron sky that's fast becoming our mind  
Over fear and into freedom  
All that life  
Let dripping down the walls  
Of a dream that cannot breathe  
In this harsh reality  
Mass confusion spoon fed to the blind  
Serves now to define our cold society From which we'll rise  
Over love  
Over hate  
Through this iron sky that's fast becoming our mind  
Over fear and into freedom You've just got to hold on  
You've just got to hold on "To those who can hear me, I say - do not despair. The misery that is  
now upon us is but the passing of greed - the bitterness of men who fear the way of human  
progress. The hate of men will pass, and dictators die, and the power they took from the people  
will return to the people. And so long as men die, liberty will never perish... Don't give  
yourselves to these unnatural men - machine men with machine minds and machine hearts!  
You are not machines! You are not cattle!... You are men! You, the people, have the power to  
make this life free and beautiful, to make this life a wonderful adventure... let us use that  
power - let us all unite."  
And we'll rise  
Over love  
Over hate  
Through this iron sky that's fast becoming our mind  
Over fear and into freedom  
Into freedom From which we'll rise  
Over love  
Over hate  
Through this iron sky that's fast becoming our mind  
Over fear and into freedom  
Freedom, freedom  
Oh, rain on me  
Rain on me

Rain on me
