

# Can You Stand the Rain

## New Edition

On a perfect day I know that I can count on you  
When that's not possible tell me can you weather the storm?Cause I need some body who will  
stand by me

Through the good times and bad times she will always, always be right there.Sunny days  
everybody loves them tell me baby can you stand the rain? Storms will come this we know for  
sure (this we know for sure) can you stand the rain?(yeah yeah) Love unconditional I'm not  
asking just of you

Girl to make it last I'll do whatever needs to be done.But I need somebody who will stand by  
me,

When it's tough she won't run she will always, be right there for me.

Sunny days every body loves them tell me can you stand the rain (can you stand it)

Storms will come (ricky) I know I know all the days won't be perfect (this we know for  
Sure) but tell me can you stand it can you stand the rain?Can you stand the rain No pressure no  
pressure from me baby (this we know for sure) cause I want you and I need you and I love you  
girl.Tell me baby, will you be there for meCome on baby lets go get wet

Can you stand the rain Can you stand the rain?

Will you be there girl?

Storms will come for sure.

Can you stand the rain?Yeah it's hard but I'll know I'll be right there baby yeah yeah yeah.
