Thinking Out Loud

Jai Waetford

When your legs don't work like they used to before And I can't sweep you off of your feet

Will your mouth still remember the taste of my love

Will your eyes still smile from your cheeksAnd darling I will be loving you 'til we're 70

And baby my heart could still fall as hard at 23

And I'm thinking 'bout how people fall in love in mysterious ways

Maybe just the touch of a hand

Oh me I fall in love with you every single day

And I just wanna tell you I amSo honey now

Take me into your loving arms

Kiss me under the light of a thousand stars

Place your head on my beating heart

I'm thinking out loud

Maybe we found love right where we are

When my hair's all but gone and my memory fades

And the crowds don't remember my name

When my hands don't play the strings the same way, mm

I know you will still love me the same 'Cause honey your soul can never grow old, it's evergreen Baby your smile's forever in my mind and memory I'm thinking 'bout how people fall in love in

mysterious ways

Maybe it's all part of a plan

I'll just keep on making the same mistakes

Hoping that you'll understandBut baby now

Take me into your loving arms

Kiss me under the light of a thousand stars

Place your head on my beating heart

I'm thinking out loud

That maybe we found love right where we are, oh(Ah la la, la la la, la la la, la la la la la)

So baby now

Take me into your loving arms

Kiss me under the light of a thousand stars

Oh darling, place your head on my beating heart

I'm thinking out loud

That maybe we found love right where we are Oh maybe we found love right where we are And we found love right where we are
