

# Careless Whisper

Tamia

Time can never mend  
The careless whispers of a good friend  
To the heart and mind, ignorance is kind  
But there's no comfort in the truth, pain is all you'll find  
I feel so unsure as you take my hand  
And lead me to the dance floor  
As the music dies, something in your eyes  
Calls to mind a silver screen and all it's sad goodbyes  
I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool  
Should have known better than to cheat a friend  
Wasted chance that I've been given  
So I'm never gonna dance again  
The way I danced with you  
Time can never mend  
The careless whispers of a good friend  
To the heart and mind, ignorance is kind  
But there's no comfort in the truth, pain is all you'll find  
I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool  
Should have known better than to cheat a friend  
Wasted chance that I've been given  
So I'm never gonna dance again  
The way I danced with you  
Should've known better, yeah  
Tonight the music seems so loud  
I wish that we could lose this crowd  
But maybe it's better this way  
We'd hurt each other with the things we want to say  
We could have been so good together  
We could have lived this dance forever  
But now who's gonna dance with me  
Please dance  
I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool  
Should have known better than to cheat a friend  
Wasted chance that I've been given  
So I'm never gonna dance again  
The way I danced with you  
Now that you're gone  
Why'd you have to leave me alone?  
Mostly none  
We lose this crowd  
We could have been so good together  
We could have lived this dance forever
