

Hello (feat. A Boogie wit da Hoodie)

Pop Smoke

Rico's going crazy again
Yeah
CashMoney, CashMoney, AP[Pop Smoke]
I like my bitches redbone, ass fat, jello
Lightskin, yellow, iced out, hello
I'm the king of New York, Melo
Black hair by the regis and pello
Ask around, niggas know me
I'm in Europe with Ginobli
I like my bitches redbone, ass fat, jello
Lightskin, yellow, iced out, hello
I'm the king of New York, Melo
Black hair by the regis and pello
Ask around, niggas know me
I'm in Europe with Ginobli
[A Boogie wit da Hoodie]
I been so gone, I like redbones
My type light skin, ass fat, jello (Huh?)
But bitches be switchin' sides nowadays on the regular
I never respected it, money over bitches, I know that's everything
Money over bitches, I know that's hot
Rockin' VVS by Elliot Weathermen
I will never ever give her no wedding ring
.45 on my hip, I ain't fightin' 'em
Chewin' on an aderall like a vitamin
Nigga pockets be on E
So, they already know I'm drivin' a T
They makin' up rumors and lies, okay, I'm sick and I'm tired
I'm out in the T, none of my bitches be mine
They coulda been one of yours, but they out of your league
I'ma just call up Fatima, nah, that ain't really her name
But she for the team
I get fly as a bitch, like I looted up
All this money you talkin' ain't new to us
I'm the king of New York and on god
If Pop was alive there would have been two of us
[Pop Smoke]
I like my bitches redbone, ass fat, jello
Lightskin, yellow, iced out, hello
I'm the king of New York, Melo
Black hair by the regis and pello
Ask around, niggas know me

I'm in Europe with Ginobli
I like my bitches redbone, ass fat, jello
Lightskin, yellow, iced out, hello
I'm the king of New York, Melo
Black hair by the regis and pello
Ask around, niggas know me
I'm in Europe with Ginobli[Pop Smoke]
Pull up like ace in the cleaners, Ace en el fiends
Pop make a movie, sell out arenas
She off the white, talkin' Demi Lovato
All on my denim, since Murder Bravado
AP Audemar, wet aquafina
Hittin' like Ike, singin' like Tina
Dior on my body, sneakers got no creases
They limited, baby, tell me if you've seen 'em
My diamonds dancin', paint her face like Marilyn Manson
Then roll up that Woo runtz straight from Cali'
Then get a plate from Sally's
Quano blew his trial, they set him up
These niggas mad as fuck
You know what I rep, yeah, it's tatted up
You ain't get fucked, 'cause your ass ain't fat enough
If you talk crazy, get batted up, yeah[Pop Smoke]
I like my bitches redbone, ass fat, jello
Lightskin, yellow, iced out, hello
I'm the king of New York, Melo
Black hair by the regis and pello
Ask around, niggas know me
I'm in Europe with Ginobli
I like my bitches redbone, ass fat, jello
Lightskin, yellow, iced out, hello
I'm the king of New York, Melo
Black hair by the regis and pello
Ask around, niggas know me
I'm in Europe with Ginobli
