

# No One

Ari Lennox

[Intro]  
Ay, ay  
Ay, ay  
Hmm  
Ay, ay  
Ay, ay  
Hmm[Verse 1]  
251 contacts  
You would think they are America's best  
Some of us still remain alone  
Not one missed call [?]  
[Chorus]  
No one, no one  
No one to talk to  
No one, no one  
No one to talk to  
Soulless response  
When I confront  
Actin' brand new  
No one, no one  
No one[Verse 2]  
Invite my homie over for a [?]  
All she wanna play is GTA  
And that's okay  
I don't need no friends  
I don't need nothin'  
Why I gotta [?] for your attention?  
[Chorus]  
No one, no one  
No one to talk to  
No one, no one  
No one to talk to  
Soulless response  
When I confront  
Actin' brand new  
No one, no one  
No one[Bridge]  
Ay, ay  
Ay, ay  
(Eeeh)  
Hey, hey  
Hey, hey

Ay-yeah[Outro]  
Pack suitcase and disappear  
Rather be alone than along with you here  
Pack suitcase and disappear  
Rather be alone than along with you here
