A Lucky Guy

Rickie Lee Jones

Oh, he's a lucky guy Oh, he's a lucky guy He doesn't worry about me When I'm gone He goes to sleep at night He don't turn off the light And wonder how to find me Or if I'm alone Oh, he's a lucky guy I wish I was like him 'Cause when he talks about me He don't look this way He's a lucky guy He used to walk with me He used to talk to me See, we have these secrets That no one else could hear Well, he's not the only one No, no not the only one But what happens to them? Do they matter? Do they disappear Into a lonely girl? Now I'm a lonely girl I want somebody with me in the world Oh, he's a lucky guyFortune walks right in the door And here I am Just like before Well, I'm not gonna turn around I'm not his pretty clown I'm not the one caught Like he thought He was the last one I had there 'Cause I did a foolish thing A real, real stupid thing I told him I love him And I want him there When I knew he wouldn't come And I knew he didn't care And I'll cry awhile I'll cry awhile But when I wake up

Tomorrow is a new dayI'm a lucky guy Hey, I'm a lucky guy Real, real lucky guy Hey, I'm a lucky guy Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
