

Do You Like It

Our Lady Peace

I crawled out from the pain of yesterday
I crawled to you and
I said all the things that you said to say
Have I said enough Do you like it yeah-e-yeah
Do you like it yeah-e-yeah I know why you're playing these dirty games
They're killing me and
I know how you love to watch me beg
Well here I am Do you like it yeah-e-yeah
And do you like it yeah-e-yeah
And do you like it yeah-e-yeah, yeah-e-yeah, yeah-e-yeah
I don't wanna be a puppet for you
Don't wanna bite the hand that's feeding
I don't wanna be a sucker for you, oh yes you
I hate myself for begging
I hate myself for staying
I hate myself for listening to
you It's too little too late
Well I can't escape
So begging you please
I changed all the things that you told me to change
I'm on my knees Do you like it yeah-e-yeah
And do you like it yeah-e-yeah
And do you like it yeah-e-yeah, yeah-e-yeah, yeah-e-yeah
I don't wanna be a puppet for you
Don't wanna bite the hand that's feeding
I don't wanna be a sucker for you, ah yes you
I hate myself for begging
I hate myself for staying
I hate myself for listening to you I just wanna get out
Stuck inside of this
Waiting for something else
Waiting to exist
Can you offer me help
Help from what I've missed, I've missed, I... Do you like it yeah-e-yeah
Do you like it yeah-e-yeah
Do you like it yeah-e-yeah, yeah-e-yeah, yeah-e-yeah I don't wanna be a puppet for you
Don't wanna bite the hand that's feeding
I don't wanna be a sucker for you, ah yes you
I hate myself for begging
I hate myself for staying
I hate myself for listening to you, oh
For listening to you, oh

For listening to you, oh
For listening to you, oh
