

Sunshine Road

Owen Campbell

Now, tell ya what I need, what I need
Well I don't need much, I don't have much
You sittin' down a dark road
Sittin' in a rain coat Oh, but Lord, I need just one thing
And that's a little bit of sunshine
I need the sunshine
And a rainy day I know, I need to get back home Well I'm a lonely man, I'm a holy band
Yes I need a good woman, I need a good one
I need to get into heaven son
'fore the devil take me back a'down south
Oh, but lady, I believe in just one thing
And that's a little bit of your love, I need your love
Every lonely road you know, let me rattle them bones You give me what I need, what I need
Well I don't need much, I don't have much
You sittin' down a dark road
Sittin' in a rain coat Oh, but Lord, I need just one thing
And that's a little bit of your love
I need the sunshine
And the rainy day I know, I need to get back home
Oh, but lady, I believe in just one thing
And that's a little bit of your love, I need your love
Every lonely road you know, let me rattle them bones
Oh, let me rattle them bones
