I'm just saying, why you playing? While I'm playing, hope you're praying You probably miss your blessing, be back stressed Doing all that collumn, all that text You done bump your head, lost your mind Since you in my spotlight, baby, go and get shined

Are you a man who loves, and cherishes, and cares for me?

Is that you? Is that you? Is that you? Yeah...

Are you a guard in a prison, maximum security?

Is that you? Is that you? Is that you? Yeah...

Do we stay home all the time, cause you want me to yourself?

Is that you? Is that you? Is that you? Yeah...

Or am I locked away, out of fear that I'd find someone else?

Is that you? Is that you? YeahWell, I don't like, living under your spotlight

Just because you think, I might find somebody worthy

Oh, I don't like, living under your spotlight

Maybe, if you treat me right, you won't have to worry Is this a relationship, fulfilling your needs, as well as mine?

Is that you? Is that you? Yeah...

Or is this just my sentence, am I doing time?

Is that you? Is that you? Yeah...

If this is love, real, real love, then I'm staying no doubt

Is that you? Is that you? Yeah...

But if I'm just love prisoner, then I'm busting out

Is that you? Is that you? Yeah...Well, I don't like, living under your spotlight

Just because you think, I might find somebody worthy

Oh, I don't like, living under your spotlight

Maybe, if you treat me right, you won't have to worryOh, you oughta be, ashamed of yourself What the hell, do you think you're doing?

Loving me, loving me so wrong Baby, all I do is try

To show you, that you're my

One and only guy

No matter, who may come along

Open your eyes, cause baby, I don't lieYeah! Yeah! Yeah!

Remix! Remix!

Yeah Yeah Yeah!

Look, JH, YJWell, I don't like, living under your spotlight

Just because you think, I might find somebody worthy

Oh, I don't like, living under your spotlight

Maybe, if you treat me right, you won't have to worryWell, I don't like, living under your spotlight

Just because you think, I might find somebody worthy
Oh, I don't like, living under your spotlight
Maybe, if you treat me right, you won't have to worryI don't like...
