

No Such Thing

John Mayer

Welcome to the real world
She said to me condescendingly
 Take a seat, take your life
Plot it out in black and whiteWell, I never lived the dream of the prom kings
 And the drama queens
 I'd like to think the best of me
Is still hiding up my sleeveThey love to tell you
 Stay inside the lines
 But something's better
On the other sideI wanna run through the halls of my high school
 I wanna scream at the top of my lungs
I just found out there's no such thing as the real world
 Just a lie you've got to rise above
 So the good boys and girls
 Take the so called right track
 Faded white hats
Grabbing credits and maybe transfersThey read all the books but they can't find the answers
 And all of our parents, they're getting older
 I wonder if they've wished for anything better
While in their memories tiny tragediesThey love to tell you
 Stay inside the lines
 But something's better
On the other sideI wanna run through the halls of my high school
 I wanna scream at the top of my lungs
I just found out there's no such thing as the real world
 Just a lie you got to rise above
 I am invincible
 I am invincible
 I am invincible
As long as I'm aliveI wanna run through the halls of my high school
 I wanna scream at the top of my lungs
I just found out there's no such thing as the real world
Just a lie you've got to rise aboveI just can't wait 'til my ten year reunion
 I'm gonna bust down the double doors
 And when I stand on these tables before you
 You will know what all this time was for
