

# Losing My Mind

## Mystery Skulls

I believe it  
Someone's here  
They can see me  
And where I'm goin' I've been sleepless  
In my head  
Feels like they're watching me  
People watching me, ah Feels like I'm losing my mind  
Feels like a dream of me all of the time, baby  
Feels like I'm losing my mind  
Feels like a dream of me all of my life, baby  
Every day I'm losing my mind  
(Feels like they're watching me)  
Feels like I'm losing  
Feels like I'm losing  
Every day I'm losing my mind  
(Feels like they're watching me)  
Feels like I'm losing  
Feels like I'm losing my mind If I do this  
It's for real  
There's no turning back  
There's no turning back I've been sleepless  
In my head  
Feels like they're watching me  
People watching me, ah-  
Feels like I'm losing my mind  
Feels like a dream of me all of the time, baby  
Feels like I'm losing my mind  
Feels like a dream of me all of my life, baby Every day I'm losing my mind  
(Feels like they're watching me)  
Feels like I'm losing  
Feels like I'm losing  
Every day I'm losing my mind  
(Feels like they're watching me)  
Feels like I'm losing  
Feels like I'm losing my  
m i n d (Feels like they're watching me)  
(Feels like they're watching me) Every day I'm losing my mind  
(Feels like they're watching me)  
Feels like I'm losing  
Feels like I'm losing  
Every day I'm losing my mind  
(Feels like they're watching me)

Feels like I'm losing  
Feels like I'm losing my mind
