

Bread & Butter

Hugo

She tastes like midnight
She tastes like wine
She tastes like midnight
She tastes like wineGonna run my fingers
Oh, down your spine
Just like a bad dream
Stay on my mindGonna spread you like butter
Give you all my bread
Don't want no other girl in my bed
Gonna spread you like
Gonna spread you like
Oh, all the street lights
May know your name?
Out in the moonlight
Don't you feel no shameOh, don't you worry
You little flame
Baby, all the street lights
Will know your nameGonna spread you like butter
Give you all my bread
Don't want no other girl in my bedGonna spread you like butter
Give you all my bread
Don't want no other girl in my bed
Gonna spread you like
Gonna spread you like
'Cause I'm feeling lucky
And I'm feeling you
It keeps me hungry
It keeps me meanI'm sharp like a blade
And cold like a knife
I'm sharp like a blade
And cold like a knife
I'm cold like a knife
I'm cold like a knifeGonna spread you like butter
Give you all my bread
Don't want no other girl in my bedGonna spread you like butter
Give you all my bread
Don't want no other girl in my bed
Gonna spread you like
Gonna spread you like
