Rock Star (Jason Nevins Remix Edit)

N.E.R.D

Fuckin' posers It's almost over now It's almost over now

Yeah

Fuckin' posers

It's almost over now

It's almost over now

YeahYou think the way you live is okay

You think posin'

Will save the day

You think we don't see

That you're running

Better call your boys

'Cause I'm coming

You can't be me

I'm a Rock Star

I'm rhyming on the top of a cop car I'm a rebel and my .44 pops farIt's almost over now

It's almost over nowI guess

You ain't heard that we swallow guys

It's too damn late to apologize

When you see the mantle or will you see the skiesIt's almost over now It's almost over nowYou think that you don't have to ever quit

You think that you can get away with itYou think the light won't be ever litIt's almost over now

Almost over now

Something's on your chest

Better get it off

There'll be no one left when we set it off

We ain't gonna take it no more

SinceIt's almost over now

Almost over nowYou have to plenty of time

There was no rush

But it was your dream to be like us

You're in dreamland so you don't care

And as you wait

I'm standing thereYou can't be me

I'm a Rock Star

I'm rhyming on the top of a cop car

I'm a rebel and my .44 pops farIt's almost over now

It's almost over nowI guess

You ain't heard that we swallow guys

It's too damn late to apologize

When you see the mantle or will you see the skiesIt's almost over now
It's almost over nowYou think that you don't have to ever quit
You think that you can get away with itYou think the light won't be ever litIt's almost over now
Almost over nowSomething's on your chest

Better get it off

There'll be no one left when we set it off

We ain't gonna take it no more

SinceIt's almost over now

Almost over nowYou don't succeed cause you hesitate

You think we're fly

But we levitate

Just be yourself

Don't ask us why

'Cause if you don't we'll make you flyYou can't be me

I'm a Rock Star

I'm rhyming on the top of a cop car

I'm a rebel and my .44 pops farIt's almost over now

It's almost over nowI guess

You ain't heard that we swallow guys

It's too damn late to apologize

When you see the mantle or will you see the skiesIt's almost over now
It's almost over nowYou think that you don't have to ever quit
You think that you can get away with itYou think the light won't be ever litIt's almost over now
Almost over now
