Lie Lie Lie

Serj Tankian

Lalalalalalala lie lie lie

Lalalalalalala lie lie lie

Lalalalalalala lie lie lie

Lalalalalalala lie lie lieMy baby, my baby

Let me know

because you love me, you love me

Let me go

And you're my lover, you pay me

Twice my size

And on your knees you lay

In my thighs Take my hand and let's end it all

She broke her little bones

On the boulders below

Take my hand and let's end it all

My baby, my baby

Let me go

And if you love me, you love me

Let me go

Cause I'm your brother, your brother

Have some pride

And now you love me, you love me

Then die tonightTake my hand and let's end it all

She broke her little bones

On the boulders below

Take my hand and let's end it all

Broke her little bones

On the boulders below

And while she fell I delightfully said

Lalalalalalala lie lie lie

Lalalalalalala lie lie lie

Lalalalalalala lie lie lie

Lalalalalalalala lie lie lieShe took my hand and I let her go

She broke her little bones

On the boulders below

Took my hand and she ended it all

Broke her little bones on the boulders below

And while she fell, I smiled.

Lalalalalalala lie lie lie

Lalalalalalala lie lie lie

Lalalalalalala lie lie lie

Lalalalalalala lie lie lie
