

Night of the Hunter

Thirty Seconds to Mars

I was born of the womb of a poisonous man
Beaten and broken and chased from the land
But I rise up above it, high up above it and see I was hung from the tree made of tongues of the
weak

The branches, the bones of the liars and thieves
Rise up above it, high up above and see Pray to your god, open your heart
Whatever you do, don't be afraid of the dark

Cover your eyes, the devil's inside One night of the hunter

One day I will get revenge

One night to remember

One day it'll all just end

Oh, oh

Oh, oh

Oh, oh

Oh, oh

Oh, oh, oh

Oh, oh

Oh, oh

Oh, oh...Blessed by a bitch from a bastard's seed

Pleasure to meet you but better to bleed

Rise, I will rise, I will rise Skinned her alive, ripped her apart

Scattered her ashes, buried her heart

Rise up above it, high up above it and see Pray to your god, open your heart

Whatever you do, don't be afraid of the dark

Cover your eyes, the devil inside

One night of the hunter

One day I will get revenge

One night to remember

One day it'll all just end, oh Honest to God I'll break your heart

Tear you to pieces and rip you apart

Honest to God I'll break your heart

Tear you to pieces and rip you apart

Honest to God I'll break your heart

Tear you to pieces and rip you apart

Honest to God I'll break your heart

Tear you to pieces and rip you apart One night of the hunter

One day I will get revenge

One night to remember

One day it'll all just end Oh, oh (All just end)

Oh, oh (... just end)

Oh, oh

Oh, oh

Oh, oh, oh
Oh, oh
Oh, oh
Oh, oh...Honest to god, I will break your heart
Tear you to pieces and rip you apart
Honest to god, I will break your heart
Tear you to pieces and rip you apart
Honest to god, I will break your heart
Tear you to pieces and rip you apart
Honest to god, I will break your heart
Tear you to pieces and rip you apart(Away-oh...)
(Away-oh...)
(Away-oh...)
(Away-oh...)One night of the hunter
One day I will get revenge
One night to remember
One day it'll all just endOh, oh (All just end)
Oh, oh (... just end)
Oh, oh
Oh, oh
Oh, oh, oh
Oh, oh
Oh, oh
Oh, oh...
