

# A Place in My Heart

Abraham Mateo

Before you hit the road again,  
are you hitting in the right direction?  
There's nothing left for us to mend  
Broken mirrors,  
Leave the best deception.  
A piece of heaven is what you take away  
when you up and leave me.  
Is this a road without and end,  
full of pain, only leaves you empty.  
There's a place for you inside my heart.  
Open space for you inside my heart.  
Don't make the same mistake again,  
Open up to what you've been missing.  
There's nothing left for us  
Than loose, babe, the prize,  
You had the best intention.  
Leaving me with lonely, lonely.  
And i'm just sittin' missing you,  
Down and out, needing you only, only.  
There's a place for you inside my heart.  
Open space for you inside my heart.  
There's room for you to move in,  
We don't have to be apart.  
There's a place for you inside my heart...  
There's a place for you inside my heart,  
Open space for you inside my heart.  
There's room for you to move in,  
We don't have to be apart.  
There's a place for you inside my heart.  
There's a place...
