

# Mercy

## OneRepublic

Angel of mercy  
How did you find me?  
Where did you read my story?  
Pulled from the papers  
Desperate and hardened  
Seeking a momentary fix  
All I wanted to say  
All I wanted to do  
Has fallen apart now  
All I wanted to feel  
I wanted to love  
It's all my fault now  
A tragedy, I fear  
Angel of mercy  
How did you find me?  
How did you pick me up again?  
Angel of mercy  
How did you move me?  
Why am I on my feet again?  
And I see you  
Whoa whoa whoa  
I feel you  
Whoa whoa whoa  
Fortress of daylight  
Caught me on standby  
Waiting to catch the quickest plane  
Fly me to nowhere, it's better than somewhere  
That's where I've been and nothing's changed  
All I wanted to say  
All I wanted to do  
Is fall apart now  
All I wanted to feel  
I wanted to love  
It's all my fault now  
A tragedy for sure  
Angel of mercy  
How did you find me?  
How did you pick me up again?  
Angel of mercy  
How did you move me?  
Why am I on my feet again?  
And I see you  
Whoa whoa whoa  
I feel you  
Whoa whoa whoa  
I'm so lost in you  
A tragedy, it seemed to be, but what now?  
What now?

A tragedy, it seemed to be, but what now? Angel of mercy  
How did you find me?  
How did you pick me up again?  
Angel of mercy  
How did you move me?  
Why am I on my feet again?  
And I see you  
Whoa whoa whoa  
And I feel you  
Whoa whoa whoa  
I feel you  
Oh oh, whoa  
I feel you  
Oho oho oho  
Hmmm
