Porno for Pyros

Ain't been twelve a couple of hours
I'm on the freeway
Rain's so hard the sky's one color
The wettest coldest grey
Then she takes a look at me
I tell her it's okayDriving around with her
She's taking trips on me
I'm taking trips on herLeft the sunset back in Venice
I was on the freeway
Say you love me or I'll kill us
But you won't say it
Reach across the seat
And push the bucket back all the way
Driving around with her
She's taking trips on me
I'm taking trips on herI fell in love with her
I just don't mention it
To fall in love this much
It's very dangerous
She makes me so jealous
I want to kill us bothLeft the sunset back in Venice
I was on the freeway
Say you love me or I'll kill us
But you won't say it
Reach across the seat
Push the bucket back all the wayDriving around with her
She's taking trips on me
I'm taking trips on her
I fell in love with her
I just don't mention it
To fall in love this much
It's very dangerousShe makes me so jealous!
She makes me so jealous!
It's very dangerous
She makes me so jealous!
It's very dangerous
She makes me so jealous!
It's very dangerous
It's very dangerous
It's very dangerous!
