

# Never Forget

## Take That

We've come so far and we've reached so high  
And we've looked each day and night in the eye  
And we're still so young and we hope for more  
We've come a long way  
But we're not too sure wher we've been  
We've had success, we've had good times  
But remember this  
Been on this path of life for so long  
Feel I've walked a thousand miles  
Sometimes strolled hand in hand with love  
Everybody's been there  
With danger on my mind I would stand on the line of hope  
And I knew I could make it  
Once I knew the boundaries I looked into the clouds and saw  
My face in the moonlight  
Just then I realized what a fool I could be  
Just 'cause I look so high you don't have to see me  
Finding a paradise wasn't easy but still  
There's a road going down the other side of this hill  
Never forget where you're coming from  
Never pretend that it's all real  
Someday soon this will all be someone else's dream  
This will be someone else's dream  
Safe from the arms of dissapointment for so long  
Feel each day we've come too far  
Yet each day seems to make much more  
Sure is good to be here  
I understand the meaning of 'I can't explain this feeling' now  
And it feels so unreal  
At night I see the hand that reminds me of the stand that I made  
The fact of reality  
Never forget where you're coming from  
Never pretend that it's all real  
Someday soon this will all be someone else's dream  
This will be someone else's dream  
We've come so far and we've reached so high  
And we've looked each day and night in the eye  
And we're still so young and we hope for more  
But remember this  
We're not invincible, we're not invincible, no  
We're only people, we're only people  
Hey we're not invincible, we're not invincible  
So again I tell you  
Never forget where you're coming from  
Never pretend that it's all real  
Someday soon this will all be someone else's dream  
This will be someone else's dream  
Never, never forget where  
Never pretend that it's all real  
Someday soon this will all be someone else's dream  
This will be someone else's dream  
Never, everybody sing, oh baby  
Never, no never, never forget for love

Someday, louder, louder, louder, louder loud  
Never, everybody sing that song  
Never, yeah louder, louder, loud now  
Someday, come on, come on, everybody, everybody  
Everybody, everybody, everybody  
Never forget where you're coming from  
Never pretend that it's all real  
Someday soon this will all be someone else's dream  
This will be someone else's dream  
We've come so far and we've reached so high  
And we've looked each day and night in the eye  
And we're still so young and we hope for more
