

# I'm On My Way

Ricky Martin

two hearts beating as one  
that's all i think about  
until my journey's done  
ten miles.ten miles away  
that's all that's left to go  
untill i see your face  
oh my love  
she says to me...  
oh my love  
i'm waitin' for you

CHORUS:

hey i'm on my way i guess you gotta  
feel the pain  
won't be late to teach your soul  
to pray  
it's ok your tears are like  
the rain  
let's get crazy  
come what may  
come on  
i wanna love you  
baby gimme sexo...lover, the moment has come  
i'll give it all to you until i come undone  
lover, i live for your touch  
so many nights alone  
i've missed your kiss soooo much  
oh my heart  
was hers to be  
oh my love  
i'm livin' for you REPEAT CHORUS
