Promiscuous

Nelly Furtado

Am I throwing you off? Nope Didn't think soHow you doin' young lady? That feelin' that you givin' really drives me crazy You don't have to play about the joke I was at a loss of words first time that we spokeYou lookin' for a girl that'll treat you right You lookin' for her in the daytime with the lightYou might be the type if I play my cards right I'll find out by the end of the nightNelly: You expect me to just let you hit it Will you still respect me if you get it? All I can do is try, give me one chance. What's the problem? I don't see no ring on your hand. I be the first to admit it I'm curious about you, you seem so innocentYou wanna get in my world, get lost in it Boy I'm tired of running, let's walk for a minutePromiscuous girl Wherever you are I'm all alone And it's you that I want. Promiscuous boy You already know That I'm all yours What you waiting for?Promiscuous girl You're teasing me You know what I want And I got what you need Promiscuous boy Let's get to the point Cause we're on a roll Are you ready?Roses are red Some diamonds are blue Chivalry is dead But you're still kind of cuteHey, I can't keep my mind off you Where you at, do you mind if I come through?'m out of this world, come with me to my planet Get you on my level do you think that you can handle it?
