Ain't it cool?  
Rolling it high, rolling it high  
Ain't it cool? She's looking hot, she's looking hot  
In the breeze  
Flashing those eyes, strutting her stuff  
Givenchy

That the good times come for free  
Baby, I'm not expensive  
But tonight you're taking me  
You sure got the look  
When you're riding next to me  
(Dynamite, dynamite)  
You sure got the look  
Got to keep you on my hook  
Pussycat eyes, I'm digging you

Riding the night  
You know that she's dynamite, come on
