

Anywhere Is

Enya

I walk the maze of moments
But everywhere I turn to begins a new beginning
 But never finds a finish
 I walk to the horizon
 And there I find another
 It all seems so surprising
 And then I find that I know
You go there you're gone forever
 I go there I'll lose my way
If we stay here we're not together
 Anywhere is
 The moon upon the ocean
 Is swept around in motion
 But without ever knowing
 The reason for its flowing
 In motion on the ocean
The moon still keeps on moving
The waves still keep on waving
 And I still keep on going
 I wonder if the stars sign
 The life that is to be mine
And would they let their light shine
 Enough for me to follow
 I look up to the heavens
 But night has clouded over
 No spark of constellation
 No vela no orion
The shells upon the warm sands
Have taken from their own lands
 The echo of their story
 But all I hear are low sounds
 As pillow words are weaving
 And willow waves are leaving
 But should I be believing
 That I am only dreaming
To leave the thread of all time
 And let it make a dark line
 In hopes that I can still find
The way back to the moment
I took the turn and turned to
 Begin a new beginning
 Still looking for the answer

I cannot find the finish
It's either this or that way
It's one way or the other
It should be one direction
It could be on reflection
The turn I have just taken
The turn that I was making
I might be just beginning
I might be near the end.
