

# Open Arms

## Elbow

Lying beside you here in the dark  
Feeling your heartbeat with mine  
Softly you whisper, you're so sincere  
How could i love be so blind We sailed on together, we drifting apart  
And here you are by my side So now i come, to you with open arms  
Nothing to hide believe what i say  
so here i am with open arms,  
Hoping you'll see what your love means  
To me. Open Arms  
Living without you, living alone  
This empty house seems so cold  
Wanting to hold you  
Wanting you near  
How much i wanted to hold But now that, you've come back  
Turn night into day  
I need you to stay  
So now i come to you with open arms  
Nothing to hide believe what i say  
So here i am with open arms  
hoping you see what your love means to me, Open Arms.  
Hoping you see what your loves mean to me, Open Arms
