Impossible Year

Panic! At the Disco

There's no sunshine This impossible year. Only black days and sky grey And clouds full of fear And storms full of sorrow That won't disappear Just typhoons and monsoons This impossible yearThere's no good times This impossible year Just a beachfront of bad blood And a coast that's unclear All the guests at the party They're so insincere They just intrude and exclude This impossible year There's no you and me This impossible year Only heartache and heartbreak And gin made of tears The bitter pill I swallow The scars souvenir That tattoo, your last bruise This impossible yearThere's never air to breathe There's never in-betweens These nightmares always hang on past the dream There's no sunshine There's no you and me There's no good times This impossible year Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
