## **Something**

## Lasgo

I don't wanna say i'm sorry Cause I know there's nothing wrong Don't be afraid there's no need to worry Cause my feelings for you are still strongHold me in your arms

And never let me go

Hold me in your arms

Cause I need you soI can see it in your eyes

There is something

Something you wanna tell me

I see it in your eyes

There is something

That you hide from me

Is there a reason why?

There is something

Something you wanna tell me

I see it in your eyes

There is something

That you hide from me

 $(\ldots)$ 

I don't wanna say I'm sorry Cause I know there's nothing wrong

Don't be afraid

There's no need to worryCause my feelings for you are still strong

Hold me in your arms

(...)

Hold me in your arms

And never let me go

Hold me in your arms

Cause I need you so

I can see it in your eyes

There is something

Something you wanna tell me

I see it in your eyes

There is something

That you hide from me

Is there a reason why?

There is something

Something you wanna tell me

I see it in your eyes

There is something

That you hide from me
